MINISTRY
REPORT
2021

2021 was an incredible year. We reached more people with the gospel than we ever have before through our physical and online campuses, we gave more generously than ever before, welcomed thousands of guests, and we built a new building on our Chandler campus for cash. Despite a season of uncertainty, there is no doubt that God is on the move in our church and in this community.

It's All About Jesus. From the very beginning, Cornerstone has had one focus: showing people the love of Jesus. That focus still drives everything we do from the way we live as disciples, the way we gather as a Church, and the passion we have for outreach, both locally and globally.

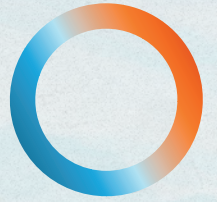

With your sacrificial giving, your time, your talents, we are proud of how much we were able to invest locally. Through supporting 1500 low-income families with Christmas gifts, sorting clothing donations, serving meals to homeless men and women, to assembling Thanksgiving meal boxes, and putting together love bags for pregnant young women, you made it possible to share the love of Jesus to our local community. And globally, by reaching people through a medical outreach in Zambia, visiting shelters in Mexico, bringing the gospel to 23 countries through our online services, and ministering to the sick, outcast and destitute in India. Cornerstone is truly reaching the world from here.

COVID has produced a season of relational disconnect . . . if you have felt distant from your Cornerstone family this past year, we invite you to take steps to re-connect. We are always better together. Come back in-person, reach out to your friend or small group or jump onto a volunteer team. It is so important to do life with other people who love Jesus.

Thanks for loving and supporting Cornerstone.

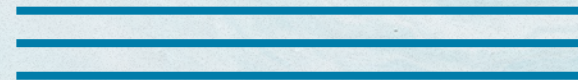

In Him,
Pastor Linn

DEPOT BUILDING UPDATE

In 2021 we broke ground on The Depot! You used to know this project as Unfinished, but we are so excited to say that this is Unfinished no more! Thanks to the incredible generosity of people like you, The Depot is expected to open its doors to ministry starting in 2022.

We sacrifice in the present to prepare future generations to serve God.
